

## **Parents Sensory Training Session**

*Mountjoy School*

*Wednesday, 1 July 2015*

*9.30 – 11.30 am*

Jane Reeves (Occupational Therapist) will explain about sensory differences and how these affect your child's learning and development.

Come and understand why your child might seek certain sensory activities and avoid others or engage in repetitive sensory play.

Find out ways to build in calming sensory play and sensory games to support their development and ability to interact.

If you would like to attend the Parents Sensory Training Session. Please complete the slip below and return to school as soon as possible.
