

## School council

School council have been busy this term deciding on what to spend the budget on. The budget for this year is £200.

Each class were asked to submit their shopping list to school council for them to discuss and vote what it should be spent on. After much discussion the council decided on board games for wet play and choosing times and a couple of remote control cars for use in the playground.

The council met on Friday 26<sup>th</sup> June and looked in the catalogues and have decided on a number of games to suit all ages within school so we are hoping these can be ordered soon.

The council also helped in the instillation of the musical instruments which have been a huge success with many children enjoying playing them at play times.

The council also have asked a certificate at the end of each year to mark their year with the council which Taryn has said she will organize.
